

Unit 3 I'm not feeling well  
**LESSON 6 You'll get better soon**

LEARNING OBJECTIVE  
In this lesson, you will learn to talk  
to a friend who is ill.

## 1 Warm-up

What would you say to a friend if he/she is ill?

**Words and phrases you may want to use:**

- have a rest
- don't worry
- get better

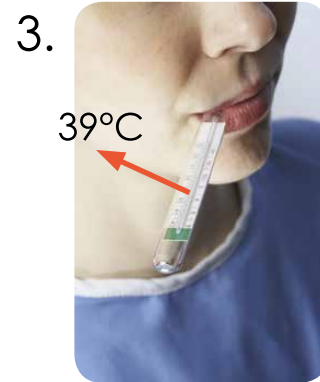

## 2 New words and expressions

### Matching game

be sick and  
tired of

have a temperature  
['temprətʃə(r)]  
serious ['sɪəriəs]  
be sick [sɪk] and tired ['taɪə(r)d] of  
bitter ['bɪtə(r)]  
be worried ['wʌrɪd] about

**Let's go through the sentences. Pay attention to the words in red.**

- Jenny missed her class because she **had a temperature**.
- The man had a **serious** illness, and he stayed in the hospital for a month.
- Bob **is sick and tired of** junk food and he wants to eat something else today.
- Most children prefer sweet medicine to **bitter** ones.
- Jack **is worried about** his test score because he didn't study hard.

## 3 Speaking naturally

### 1. Conversation setting

***Let's see how Linda is now after having a fever.***

## 3 Speaking naturally

### 2. Conversation and activity

**Jessica:** Hi, you're back, Linda. It's so nice to see you in class.

**Linda:** Hi, Jessy. I'm happy to see you, too.

**Jessica:** How are you? Are you feeling better now?

**Linda:** I still **have a temperature**, but it's not that **serious**.

**Jessica:** That's normal after having a fever.

I think you will be all right in several days.

**Linda:** I hope so. I'm **sick and tired of** taking **bitter** medicine.

**Jessica:** I'm sure you won't have to take it anymore in a few days.

**Linda:** I'm a little **worried about** the class I missed.

I heard there was a quiz.

**Jessica:** You don't need to worry about that. I told Ms. White you had a fever, and she said you can take the quiz later.

**Linda:** Thank you so much, Jessy.

### Practice the sentence pattern:

1.  I'm sick and tired of  
taking bitter medicine.

2.  I'm sick and tired of  
eating ...

3.  \_\_\_\_\_  
\_\_\_\_\_

## 3 Speaking naturally
